

Do You Know EPIC?

Welcome to EPIC

Since 1997 EPIC Hearing Healthcare has promoted the value of hearing health and hearing insurance as an essential health benefit. Today, EPIC contracts with health plans, employers, unions and other benefit providers to provide hearing benefit coverage to their constituencies-- much like dental and vision benefits are currently offered.

About the EPIC Hearing Service Plans

EPIC contracts with health plans, insurers, employers, unions and other benefit providers through the **EPIC Hearing Service Plans (HSP)**.

HSP options include:

- Fully Insured
- ASO
- Value Add [NEW Savings Plan for Davis Vision Members](#)
- Workers Compensation

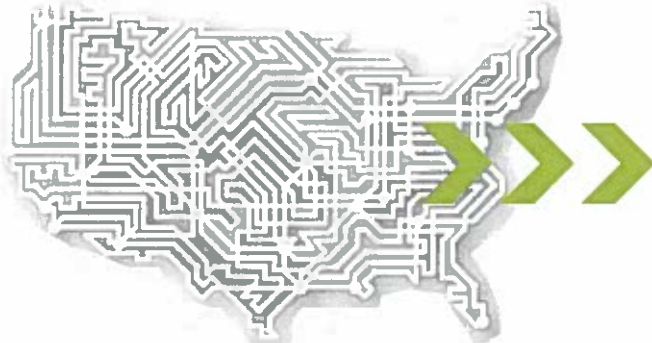

Listen Hear, Live Well Wellness Program

In our commitment to promote the value of healthy hearing, EPIC has developed the "**Listen Hear, Live Well**" hearing health wellness program to encourage employers and benefit providers to communicate the importance of healthy hearing to their constituencies, and to engage the employee/member in 4 fun, educational hearing health related activities. Participants receive a reward coupon for for up to an additional **\$400 savings** off of their hearing purchase.

Provider Network

The EPIC network comprises the largest, URAC accredited network of ENT physicians, audiologists, and hearing instrument specialists across the country, with over 5,000 locations in all 50 states.

EPIC's *Listen Hear!* public education initiative is dedicated to educating employers and consumers on the issue of untreated hearing loss.

How it Works

Members and their families contact EPIC at 844.246.0544 or hear@epichearing.com and identify themselves as a Davis Vision member to register.

An EPIC Hearing Counselor will inform the member of local participating provider locations; coordinate a referral for care; and provide a summary plan description with Member Benefit Card.
